Subject: County to Corps--consider this

I am hoping that you got a copy of this from the top-down, but just in case, I am sending you a copy of the letter we provided to the Corps. The information in this letter is somewhat different than for the Forest, given the Corps' jurisdiction. Some of this is not new to you, but it may be new to the Corps' administrative record.

In addition, I am enclosing a recent letter that Pima County provided to ADEQ.

Julia Fonseca, Environmental Planning Manager
Pima County Office of Sustainability and Conservation
